

Child's PLAY

Our Top Indoor Play Centres

At Eddie Catz the main emphasis is hands-on-discovery to foster children's learning while they play and have fun.

They aim to excite children's minds, promote socialisation and encourage the development of motor skills.

For babies and toddlers there are soft play areas, rides, and bouncers.

For children 2-4 there are themed playframes, reading/quiet zones, and interactive games in multiple languages. For children 5+ there are interactive video games, air hockey, mini basketball, internet access and magazines. Eddie Catz hosts birthday parties, music and movement classes, and other workshops.

Where: Eddie Catz Putney, 68-70 Putney High Street, 1st Floor, London SW15 1SF

Where: Eddie Catz Wimbledon, 42 Station Road, Merton, London, SW19 2LP

Go Kids N20

Go Kids N20 offers the excitement and exhilarating fun that Go Kids N20 has to offer.

The cafe area features the latest High Definition Plasma screens playing music and children's programs, free Wi-Fi, so siblings, parents and guardians alike can enjoy their stay. The purpose built children indoor play ground facilities includes a massive multi-level play frame with high level rope bridges and a drop side down to soft ball areas for the more energetic and adventurous child.

Where: 1105-1111 High Road, Whetstone

Kidspace

Kidspace offers a fantastic environment for children from 2 to 12 to play, and they look after the adults pretty well too. At the centre you will find one of the largest indoor adventure playgrounds anywhere. Great for birthday parties, they are a speciality. There is a dedicated

party zone for adults and children. They have a fully licensed restaurant serving a full selection of coffees and drinks as well as freshly baked pizzas and paninis.

Where: 619 Purley Way, Croydon
