Win a family pass for fun adventures at Kidspace

An award-winning indoor adventure park for young children is celebrating its 10th anniversary by offering Recorder readers the chance to win a family pass.

Kidspace Adventures, The Brewery, Romford, has a go-kart track, laser tag and a 40ft climbing wall.

It was the brainchild of Richard Farley and Nick de Candole.

The pair were inspired to create the centre by a shortage of places to take their own children.

In 10 years it has welcomed 2.5 million visitors and held 25,000 parties.

Mr Farley said: "It's been a fantastic 10 years in Romford and we thank all of our customers for their support.

"We certainly look forward to serving the community for another 10!"

To enter the competition fill in the form and send it to Kidspace Adventures Competition, Editorial, Media House, 539 High Road, Ilford IG1 1UD by Friday, December 11.

T&C's: All entrants must be 18 years of age or older. The day pass is for two named adults and two named children. The pass is valid until April 1, 2016. All Kidspace rules of play must be adhered to.
